

SARA Net Control

Preamble

Good Evening this is, _____, and I will be your net controller for this evenings SARA Net. Any station requiring Emergency Traffic, please break in at any time.

This net meets every Thursday night at 18:30 hours or 6:30pm on this frequency of 146.82, the K5SAR repeater.

The purpose of this net is to keep members updated on items of interest to the group and for further dissemination of information relating to the club and its goals.

This is a directed net and all stations are required to check in with net control prior to conducting any traffic.

This net is an open net. You do not have to be a member of S.A.R.A. to check in however you must have an amateur radio license with privileges on this frequency.

**Do we have any mobile stations wishing to check in quickly before we move on?

**Any stations joining via ECHOLINK please stand by and we will be with you shortly.

News and Information Section

Our next meeting is the (first Thursday of the month) and is held in the History Center next to the Library on Benton RD and Beckett Street in Bossier City. For further assistance contact one of our officers, BOD members or other member of SARA.

(Anything you want to bring to the net. DX, Louisiana and National ARRL news, club news other than meetings.)
